About Us

Our Story

KAMADUR industrial knives B.V. supports you to keep equipment running efficiently. We work with customers worldwide, offering fast delivery from stock and custom solutions to fit your needs. Our European Service Center extends tool life through sharpening, cleaning and coating. Along with knives, we provide wear parts, spare components and expert support.

Mission & Vision

Our mission is to unburden clients by providing the best tools, delivered efficiently and backed by technical expertise.

We aim to make buying, using and maintaining industrial knives easier, more reliable and cost-effective, so you can focus on what you do best.
